| | Total Amount Due | | \$ |

In keeping with the cemetery by-laws only one (1) monument shall be erected within the designated space on any lot plus one (1) marker.

Monuments in the 40's – 50's range of the plan of the cemetery shall be of uniform size to provide uniformity throughout the Range and shall be of the flat type, not more than (4" x 12" x 30") for single lot; and not more than (4" x 12" x 48") for a double lot. The top and bottom bed of all these markers shall be cut level and true and shall be set flush with the surface of the ground.
